WASHINGTON	X

ROOSEVELT is the candidate of the plain people. He was the nominee of the Republican party, but the people's mandate was overruled by corrupt politicians allied with crooked business. Your vote for Roosevelt will restore to the people the Government of Washington, Jefferson and Lincoln, of whose benefits they have been unjustly deprived. A VOTE for ROOSEVELT is a vote for yourself, your home, your family, your country and a living wage for both man and woman.

TAFT is the candidate of all the Interests opposed to the people—the "invisible" Government. He says the people are unfit to rule. Do you think so? A vote for Taft is a vote for Penrose, Standard Oil, crooked business, crooked politics and all other powers that prey.

WILSON is the outspoken advocate of a Free Trade policy that will swamp America with the products of the poorly paid labor of the World. He has repudiated all the progressive ideas expressed in the Democratic platform. After Taft, he is the choice of the Trusts. A vote for Wilson is a vote for pauper wages and empty dinner pails.

To vote for ROOSEVELT for President and JOHNSON for Vice President and the straight Progressive ticket in Pennsylvania place an X opposite WASHINGTON in the party square at the bottom and ON THE LEFT OF THE BALLOT, as above indicated. DO NOT place an X opposite any other party or name except WASHINGTON, or anywhere else on the ballot. WASHINGTON is the last name in the party squares on the ballot.

The Progressive cause is the cause of the honest men and women of the United States and I ask all good citizens, without regard to their past political affiliations, to support it.

Theodore Roosevelt

Horsford's Acid Phosphate

Prepared according to the directions of E. N. HORSFORD, of Cambridge, Mass.

FOR DYSPEPSIA,

**Indigestion, Headache, Mental and Physical
Exhaustion, Nervousness, Hysteria,
Night Sweats of Consumption, &c.**

There seems to be no difference of opinion in high medical authority, of the value of phosphoric acid, and no preparation has ever been offered to the public which seems to so happily meet the general want as this.

Every mental and physical exertion induces an augmented waste of the phosphates. This Acid Phosphate supplies that waste, and imparts new energy to the system, giving the feeling and sense of increased intellectual and physical power.

It is not nauseous, but agreeable to the taste.

No danger can attend its use.

Its action will harmonize with such stimulants as are necessary to take.

It makes a delicious drink with water and sugar only.

Pamphlet giving further particulars mailed free on application to manufacturers,

After the premiums for three or more years have been paid, upon receiving the required notice from the assured, the Company will continue the Policy in force without further payments, for its FULL FACE, for such a period as the ENTIRE RESERVE will carry it.

Should the death of the insured take place during the continued term of insurance as provided for above, the full face of the policy will be paid—no deduction being made for forborne or unpaid premiums, excepting in the event of the death occurring within three years after the default.

The new form of ENDOWMENT Policy provides: That if the ENTIRE RESERVE is a greater sum than the single premium required to carry the full amount of insurance to the end of the Endowment term, the EXCESS shall be issued as a single premium to purchase a pure endowment, payable at the end of the term, thus guaranteeing to the policyholder in every event the full value of his RESERVE.

NO SURRENDER of the Policy is required—only a notice from the policy-holder, on blanks furnished by the Company.

AFTER THREE YEARS, ALL RESTRICTIONS and CONDITIONS in regard to travel, residence, occupation and cause of death are removed, thus making the Policies after three years INCONTESTIBLE FOR ANY CAUSE EXCEPTING FRAUD.

The Modistes and Dressmakers of the United States, especially in the larger cities, are now demanding as fine, if not a finer material for waist linings than they do in Paris or London. Now, to meet this demand we have put in one of the new mills now running in our interest, the following cloths, which are far superior to anything we have ever made; one of these cloths counts nearly 400 threads to the inch, and is the firmest and finest fabric for the purpose we have ever produced.

O. P. DORMAN, *President.*

MR. PRINGLE STANDS CORRECTED.

I had quite an experience with the estimable Mrs. P. the other day. I always thought that I, and I alone, was the boss investigator of the household. It seems I am not. It came about in this way: I made her a present of a brocade velvet dress, as I very often do, and shall, I hope, do again. She received it in that wifely spirit of thankfulness which made me feel sorry that I had not bought a dozen, and then said sweetly: "But I want some fast-black twill lining." In my own conceit—alas! how all-wise some men are! I told her there was no such article in the market as fast-black twill lining. "Indeed," said Mrs. P., "there is and it is made by the Gilbert Manufacturing Company, and my modiste, Mme. Celeste Allamand, on Fifth Avenue—you know her—has tried it and told me the twills were positively fast black and they can buy them at any dry goods store. I want them, and be sure the fabric has the printed name of the Gilbert Manufacturing Company on the selvage. So there!"

That settled it. She has the fast-black twill.

Malt Extract

*Also Has a Glorious
History*

JOHANN HOFF was the first inventor of Malt Extract (1847), and this preparation has, therefore, a history of fifty years of usefulness to its credit. It has become known all over the world, and is recommended by Physicians in all parts of the globe. Emperors, Kings, Scientists and others have testified to its great reconstructive qualities as a tonic beverage for the weak and debilitated.

JEFF DAVIS.

Air : Nell Flaugherly's Drake.

Once I could eat my fill of good meat,
And whiskey galore I could rouse into me ;
I could strole up and down every street in this town,
With always a quarter to go on a spree.
My clothes they were good, I ne'er thought of wood ;
A pig or a spade never entered my mind ;
But now I'm in grief, since the black-hearted thief,
Jeff Davis, he brought these hard times unto me.

Chorus : Bad luck to him early ! bad luck to him dearly !
May the devil admire him, where'er he may be !
May Mosquitoes bite him, and Rattle-snakes
smite him,

The Traitor, that brought these hard times unto me !

I walk up and down every street in this town,
But the devil a smell of a glass can I get :
I go every where to ease my despair,
But the hunger, be gone ! keeps me in a big sweat ;
Of my clothes there's as much as would bolster a crutch,
My shirt wants a ribet or two in each seam.
May the Hangman be brief, when he swings that old thief,
Jeff Davis, that brought these hard times unto me !
Chorus : Bad luck to him early ! &c.

So badly I'm broke, I can't raise a smoke,
Not even a chew can I find in the streets,
Nor a stump of cigar, though I search near and far,
There made into shoddy, it is my belief :
The Oyster-Bay swells sometimes gives me shells
To polish my teeth, or by way of a smack,
My stomach gets riley, and then I curse wildly
Jeff Davis, who brought these hard times unto me !
Chorus : Bad luck to him early ! &c.

I'll spit in my fist, and then I'll enlist,
And off to the wars I'd march bould as brass ;
I'll fight till I die, and e'er will I fly,
I'll measure the length of myself on the grass.
Like a Brigadier-private I'll rush on the foe,
And I'll lather the Rebels, both high and low ;
It's then I'll knock blazes out of Jefferson Davis,
The vile Traitor, that brought these hard times unto me !
Chorus : May his tree never bear, may his head have no hair
May bunions like onions grow out of his toes !
May Dr. Zumblety drug him, and John Heenan plug him,
The vile Traitor, that brought these hard times unto me !

Congress, in 1866, voted the black soldier \$300 for extra bounty, and appropriated the money to pay it.

The white veteran gets \$100 extra bounty, and Congress appropriated NO MONEY to pay it.

\$2000 EXTRA PAY for Congressmen, in cash; no money for the white soldier. Seven millions, IN CASH, for the Freedman's Bureau, and no money for the white soldier.

No white soldier gets more than \$200 as extra bounty. EVERY negro soldier gets \$300 for extra bounty.

Many of the white soldiers served three years. None of the negroes served more than two years.

GEARY IS FOR CONGRESS AND THE NEGRO.

GRANT IS FOR THE PRESIDENT, THE CONVENTION, AND THE WHITE MAN.

Geary calls his fellow Soldiers, "SHYSTERS AND COWARDS, SKULKERS, AND HOSPITAL BUMMERS."

Geary says: "I AM NOT PREPARED TO DENY THAT RIGHT OF VOTING TO THE COLORED MAN."

The Clothing Campaign

REPUBLICAN CAMPAIGN SONG

We're Going to Land Big Bill and Sunny Jim

WORDS BY DAVID M. KINNEAR

Our boys out at Chicago just did the thing up right,
And everybody's satisfied I'm sure;
The country likes the ticket, it hails it with delight,
For Taft and Sherman suits us to the core;
It's a ticket for the people, we know it's going to win,
Big Bill is full of vigor—FORCE AND VIM,
So if you like it, vote it, just listen while we quote it,
We're going to land Big Bill and Sunny Jim, Jim, Jim,
We're going to land Big Bill and Sunny Jim, Bill and Jim.

CHORUS—

For we all want Bill—Big Ohio Bill,
And Sherman from New York, our Sunny Jim,
Go way back Mr. Bryan, there ain't no use in tryin'
The country wants Big Bill and Sunny Jim, Jim, Jim,
We're going to land Big Bill and Sunny Jim, Bill and Jim.

(2)

When Teddy quits the White House, in Nineteen hundred nine,
He's going to leave a record mighty good;
But Taft knows how to do it, he'll do it mighty fine,
And you can bet he'll keep on sawing wood;
When Fairbanks leaves the Senate, our Jim will take his place,
Presiding is an easy—JOB FOR HIM;
So take our ticket, vote it, just listen while we quote it,
We're going to land Big Bill and Sunny Jim, Jim, Jim,
We're going to land Big Bill and Sunny Jim, Bill and Jim.

(3)

Now, really Mister Bryan, there ain't no use to try,
Remember twice we've given you the dump;
You fixed the nomination, you think you're mighty sly,
But when November comes you'll see a slump;
The right thing for you Willum, the thing for you to do,
You must admit your chance is—MIGHTY SLIM;
Is take our ticket, vote it, just listen while we quote it,
We're going to land Big Bill and Sunny Jim, Jim, Jim,
We're going to land Big Bill and Sunny Jim, Bill and Jim.

(4)

Now, William Jennings Bryan, you're also known as Bill,
But no one ever thought to call you Big;
You've spun a lot of theories, you're handy with the quill,
But all your theories always got a dig;
There's only one Big William, the people love "Big Bill,"

Records by William H. Taft

The Republican Party, in selecting Mr. Taft for its standard bearer, has undoubtedly pleased a very large number of citizens who believe heartily in the policies of Mr. Roosevelt; because the Republican candidate has plainly declared his intention of continuing the reforms begun by the President.

It is with great gratification that the Victor Company announces that Mr. Taft has spoken to the American public by means of the Victor. The great interest felt by the people in the leading questions of the day will be intensified by this opportunity of hearing Mr. Taft's views given in his actual voice.

The records were taken at Hot Springs, Virginia, on August 5th. Mr. Taft, although naturally just now a very busy man, gave willingly the time necessary for the making of perfect records. He was delighted at the opportunity afforded by the 12-inch records for the enlarging upon several subjects in which he feels unusual interest.

In this splendid set of records every word spoken by the Republican nominee is wholly clear and distinct, and those who have heard Mr. Taft speak will be impressed with the absolute faithfulness of the reproductions.

This record forms the beginning of Mr. Taft's speech of acceptance, delivered at Cincinnati on July 28th. In order to leave no doubt in the minds of the people as to where he stands on the subject of the reform of corporate abuses, he firmly announces that the movement in this direction, begun by President Roosevelt, has his unqualified approval. "The strength of the Republican cause in the campaign at hand is in the fact that we represent policies essential to the reform of known

DEMOCRACY

To be sung at the close of the Meeting, Oct. 29, 1868.

TUNE,---Glory! Glory! Hallelujah!

Copperhead Democracy lies mouldering in its grave,
With no hope of resurrection, for it has no soul to save,
And we buried its foul body and gave freedom to the slave,
When Grant went marching on.

CHORUS: Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah!
For Grant is marching on.

In eighteen sixty-four they tried little Mac,
But honest old Abe soon laid him on his back,
And quickly forced Rebellion to take the back track,
For Grant was marching on.

CHORUS: Glory! Glory! Hallelujah, &c.

And now in sixty-eight they are running Seymour;
But they'll find to their sorrow that he's a poor goer;
And Blair can't help him, for we'll lay 'em on the floor,
For Grant is marching on.

CHORUS: Glory! Glory! Hallelujah, &c.

For old Vermont and Maine first started with the ball,
Pennsylvania and Ohio responded to the call,
And glorious Indiana is not behind at all,
While Grant is marching on.

CHORUS: Glory! Glory! Hallelujah, &c.

Copperhead Democracy lies mouldering in its grave,
Without hope of resurrection, for it has no soul to save,
And we buried its foul body and gave freedom to the slave,
When Grant was marching on.

GEN. SCOTT DENOUNCED!

The anniversary of the "Battle of Chippewa" has been celebrated to-day by the publication, in the *National Intelligencer*, of the following bulletin against the Patriot who has fought for the Union, the Constitution, the Laws, the Rights and Liberties of the People, for half a century! General Scott occupies now, as he has ever done, *National* grounds; yet certain "one-idea fanatics" raise the standard of opposition, because he does not make the support of their *sectional* institution the most prominent feature of his platform, and because he will not pledge himself to proscribe all the Whigs who do not approve of all the details of the present Fugitive Slave Law! Let the Freemen of the North, and National-Whigs of the South, ponder well their action in the present canvass!

WASHINGTON CITY, July 5, 1852.

WASHINGTON, July 3, 1852.

To prevent all mistake and misapprehension, we, the undersigned, Members of Congress, adopt this method of making a joint statement to our constituents, respectively, and to all who may take an interest in the subject, that we cannot and will not support Gen. Scott for the Presidency, as he now stands before the American People, for the following amongst other reasons:

He obstinately refused, up to the time of his nomination, to give any public opinion in favor of that series of measures of the last Congress known as the Compromise; the permanent maintenance of which with us is a question of paramount importance. Nor has he since his nomination made any declaration of his *approval* of those measures as a final adjustment of the issues in controversy.

It is true that the resolutions of the Convention that nominated him are as clear and as explicit upon this question as need be; but General Scott, in his letter of acceptance, does not give them the approval of his judgment. This he seems studiously to have avoided. He accepts the nomination "with the resolutions annexed." That is, he takes the nomination *cum onere*, as an individual takes an estate, with whatever *encumbrances* it may be loaded with. And the only pledge and guaranty he offers for his "adherence to the principles of the resolutions" are "the known incidents of a long public life," &c.

Amongst these "*known incidents*" of his life there is *not one*, so far as we are aware of, in favor of the principles of the Compromise. In one, at least, of his public letters he has expressed sentiments inimical to the institutions of fifteen States of the Union. Since the passage of the Compromise he has suffered his name to be held up before the people of several of the States as a candidate for the Presidency by the open and avowed enemies of those measures. And in the Convention that conferred this nomination upon him he permitted himself to be used by the *Free-Soilers* in that

body to defeat Mr. Fillmore and Mr. Webster, because of their advocacy of these measures and their firm adherence to the policy that sustained them.

To join such men, and aid them in completing their triumph over, and *sacrifice* of, the true and *tried* friends of the Constitution, and the faithful discharge of all its obligations, is what we can never do. The dictates of duty and patriotism sternly forbid it.

We consider General Scott as the *favorite* candidate of the *Free-Soil* wing of the Whig party. That his policy, if he should be elected, would be warped and shaped to conform to their views, and to elevate them to power in the administration of the Government, can but be considered as a legitimate and probable result. And believing, as we do, that the views of that faction of mischievous men are dangerous not only to the just and constitutional rights of the Southern States, (which we represent in part,) but to the peace and quiet of the whole country, and to the permanent union of the States, we regard it as the highest duty of the well-wishers of the country everywhere, whatever else they may do, to at least withhold from *him* their support. This we intend to do.

For reasons to some extent indicated in speeches and addresses heretofore made by the undersigned, they deem it to be their duty to withhold their support from Gen. Scott as a candidate for the Presidency. If it should seem to be necessary, we will hereafter, in some form, exhibit more fully to our constituents the facts and reasons which have brought us to this determination.

M. P. GENTRY, Tenn.

C. H. WILLIAMS, Tenn.

THE ELEVENTH National Woman's Rights Convention.

THE Eleventh National Woman's Rights Convention will be held in the City of New York, at the Church of the Puritans, Union Square, on Thursday, the 10th of May, at 10 o'clock.

Addresses will be delivered by persons to be hereafter announced.

Those who tell us the republican idea is a failure, do not see the deep gulf between our broad theory and partial legislation ; do not see that our Government for the last century has been but the repetition of the old experiments of class and caste. Hence, the failure is not in the principle but in the lack of virtue on our part to apply it.

The question now is, have we the wisdom and conscience, from the present upheavings of our political system, to reconstruct a government on the one enduring basis that has never yet been tried—EQUAL RIGHTS TO ALL."

From the proposed class legislation in Congress, it is evident we have not yet learned wisdom from the experience of the past ; for while our representatives at Washington are discussing the right of suffrage for the black man, as the only protection to life, liberty and happiness, they deny that "necessity of citizenship" to woman, by proposing to introduce the word "male" into the Federal Constitution. In securing suffrage but to another shade of *manhood*, while we disfranchise fifteen million tax-payers, we come not one line nearer the republican idea. Can a ballot in the hand of woman, and dignity on her brow, more unsex her than do a sceptre and a crown ? Shall an American Congress pay less honor to the daughter of a President than a British Parliament to the daughter of a King ? Should not our petitions command as respectful a hearing in a republican Senate, as a speech of Victoria in the House of Lords ? Do we not claim that here all men and women are nobles,—all heirs apparent to the throne ? The fact that this backward legislation has roused so little thought or protest from the women of the country, but proves what some of our ablest thinkers have already declared, that the greatest barrier to a government of equality, is found in the aristocracy of its women. For while woman holds an ideal position above man and the work of life, poorly imitating the pomp, heraldry and distinctions of an efféte European civilization, we as a nation can never realize the divine idea of equality that man in his highest moments has enunciated to the world.

To build a true republic, the church and the home must undergo the same upheaving we now see in the State ;—for while our egotism, selfishness, luxury and ease are baptized in the name of him whose life was sacrifice,—while at the family altar we are taught to worship wealth, power and position, rather than humanity, it is vain to talk of a republican government :—The fair fruits of liberty, equality and fraternity must be blighted in the bud, till cherished in the heart of woman.

At this hour the nation needs the highest thought and inspiration of a true womanhood infused into every vein and artery of its life ;—and woman needs a broader, deeper education, such as a pure religion and lofty patriotism alone can give. From the baptism of this second revolution, should not woman come forth with new strength and dignity, clothed in all those "rights, privileges and immunities" that shall best enable her to fulfil her highest duties to Humanity, her Country, her Family and Herself.

In behalf of the National Woman's Right's Central Committee.
