Mr. Stanton - her little Robbie

I have ordered a copy of my Agri-

address as this letter -

I remember my short acquaintance
with you with great pleasure - and I
have never known Mr. Stanton so

delighted with any one! - I hope
you will tell her what ^{you} think - after
all this mature deliberation -
I remember, on some points of her,
you were not prepared to give my
opinion - And I shall be very
happy to receive letters from you,
which I could promise to answer
them carefully - but all my letters
are mere scribbles -

With kindest regards

My dear Miss Eaton,

I acknowledge fully
the truth of your letter in relation to your
own health, to a certain extent. I do
think there is a constitutional defect

your becoming thoroughly strong
